QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving these materials?

We have prepared these materials for our 2016 annual meeting of stockholders (the “Annual Meeting”) to be held on Friday, December 9, 2016 at 10:00 a.m. Pacific Standard Time. S&W is soliciting proxies for use at the Annual Meeting, including any postponements or adjournments.

The Annual Meeting will be held at The Westin San Francisco Airport, located at 1 Old Bayshore Highway, Millbrae, California. You are invited to attend the Annual Meeting and requested to vote on the proposals described in this Proxy Statement (the “Proxy Statement”).

These materials were first sent or made available to stockholders on October 28, 2016.

What is included in these proxy materials?

- The Notice of 2016 Annual Meeting of Stockholders;
- This Proxy Statement for the Annual Meeting; and
- S&W’s Annual Report on Form 10-K for the year ended June 30, 2016, as filed with the Securities and Exchange Commission (the “SEC”) on September 15, 2016 (the “Annual Report”).

If you requested printed versions by mail, these proxy materials also include the proxy card or voting instruction form for the Annual Meeting.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Beginning with this Annual Meeting, in accordance with rules adopted by the Securities and Exchange Commission (the “SEC”), S&W has elected to use the Internet as the primary means of furnishing proxy materials to stockholders. Accordingly, we have sent a Notice of Internet Availability of Proxy Materials (the “Notice”) to our stockholders pursuant to which the Board is soliciting your proxy to vote at the Annual Meeting, including any adjournments or postponements thereof. Instructions on how to access the proxy materials over the Internet or request a printed copy of the materials can be found in the Notice.

Stockholders may follow the instructions in the Notice to elect to receive future proxy materials in print by mail or electronically by email. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of our annual meetings, and reduce the cost to S&W associated with the printing and mailing of materials.

S&W’s proxy materials are also available at www.swseedco.com/investors/annual-meeting-and-proxy/. This website address is included for reference only. The information contained on S&W’s website is not incorporated by reference into this Proxy Statement.

We intend to mail the Notice on or about October 28, 2016 to all stockholders of record entitled to vote at the Annual Meeting.

Will I receive any other proxy materials by mail?

We may send you a proxy card, along with a second Notice, on or after November 7, 2016.

What items will be voted on at the Annual Meeting?

There are three items scheduled for a vote at the Annual Meeting:

- The election to the Board of the eight nominees named in this Proxy Statement (Proposal No. 1);
- Ratification of the selection of Crowe Horwath LLP as S&W's independent registered public accounting firm for the fiscal year ending June 30, 2017 (Proposal No. 2); and
- Approval, on an advisory basis, of the compensation of the Company's named executive officers, as disclosed in the Proxy Statement (Proposal No. 3).

Will any other business be conducted at the meeting?

Other than the proposals referred to in this Proxy Statement, S&W knows of no other matters to be submitted to the stockholders for consideration at the Annual Meeting. If any other matters properly come before the stockholders at the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote upon such matters in accordance with their best judgment.

What are the Board's voting recommendations?

The Board recommends that you vote your shares:

- "FOR" election of each of the nominees named in this Proxy Statement to the Board (Proposal No. 1);
- "FOR" ratification of the selection of Crowe Horwath LLP as S&W's independent registered public accounting firm for the fiscal year ending June 30, 2017 (Proposal No. 2); and
- "FOR" approval, on an advisory basis, of the compensation of the Company's named executive officers, as disclosed in the Proxy Statement (Proposal No. 3).

May the Annual Meeting be adjourned or postponed?

Any action on the items of business described above may be considered at the Annual Meeting at the time and on the date specified above or at any time and date to which the Annual Meeting may be properly adjourned or postponed. Under Nevada law, we are not required to give any notice of an adjourned meeting or of the business to be transacted at an adjourned meeting, other than by announcement at the meeting at which the adjournment is taken, unless the Board fixes a new record date for the adjourned meeting or the meeting date is adjourned to a date more than 60 days later than the date set for the original meeting, in which case a new record date must be fixed and notice given.

Are any of S&W's officers and directors interested in matters to be acted upon?

Other than the nominees' interest in the election of directors and the potential impact of the advisory vote on executive compensation, our officers and directors do not have any interest in the matters to be acted upon at the Annual Meeting.

Who may vote at the Annual Meeting?

Each share of S&W's common stock has one vote on each matter. Only stockholders of record as of the close of business on October 19, 2016 (the "Record Date") are entitled to receive notice of, to attend, and

to vote at the Annual Meeting. As of the Record Date, there were 17,680,828 shares of S&W's common stock issued and outstanding, held by 23 holders of record. In addition to stockholders of record of S&W's common stock, beneficial owners of shares held in street name as of the Record Date can vote using the methods described below.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

- **Stockholder of Record.** If your shares are registered directly in your name with S&W's transfer agent, Transfer Online, Inc. ("Transfer Online"), you are the stockholder of record with respect to those shares, and the Notice was sent directly to you by S&W.
- **Beneficial Owner of Shares Held in Street Name.** If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the "beneficial owner" of shares held in "street name," and a Notice was forwarded to you by that organization. As a beneficial owner, you have the right to instruct your broker, bank, trustee, or nominee how to vote your shares.

If I am a stockholder of record of S&W's shares, how do I vote?

If you are a stockholder of record, there are four ways to vote:

- **In person.** You may vote in person at the Annual Meeting by requesting a ballot when you arrive. You must bring valid photo identification such as a driver's license or passport and may be requested to provide proof of stock ownership as of the Record Date. In order for your vote to be counted, you must hand your completed ballot to the person who will be designated by the Chairman at the meeting, and your ballot will then be provided to the inspector of election.
- **Via the Internet.** You may vote by proxy via the Internet by visiting www.proxyvote.com and following the instructions provided in the Notice.
- **By Telephone.** You may vote by proxy by calling the toll free number found in the Notice and following the recorded instructions and the instructions found in the Notice.
- **By Mail.** If you request printed copies of the proxy materials by mail, you will receive a proxy card, and you may vote by proxy by filling out the proxy card and returning it in the envelope provided.

If I am a beneficial owner of shares held in street name, how do I vote?

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from the Company. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

If you are a beneficial owner of shares held in street name, there are four ways to vote:

- **In person.** If you are a beneficial owner of shares held in street name and wish to vote in person at the Annual Meeting, you must obtain a "legal proxy" from the organization that holds your shares. A legal proxy is a written document that authorizes you to vote your shares

held in street name at the Annual Meeting. Please contact the organization that holds your shares for instructions regarding obtaining a legal proxy.

You must bring a copy of the legal proxy to the Annual Meeting and ask for a ballot from an usher when you arrive. You must also bring valid photo identification such as a driver's license or passport. In order for your vote to be counted, you must hand both the copy of the legal proxy and your completed ballot to the person who will be designated by the Chairman at the meeting, and your ballot will then be provided to the inspector of election.

- **Via the Internet.** You may vote by proxy via the Internet by visiting www.proxyvote.com and entering the control number found in your Notice. The availability of Internet voting may depend on the voting process of the organization that holds your shares.
- **By Telephone.** You will receive a voting instruction form and you may vote by proxy by calling the toll free number found on the voting instruction form. The availability of telephone voting may depend on the voting process of the organization that holds your shares.
- **By Mail.** If you request printed copies of the proxy materials by mail, you will receive a voting instruction form, and you may vote by proxy by filling out the voting instruction form and returning it in the envelope provided.

What is the quorum requirement for the Annual Meeting?

A majority of the shares entitled to vote at the Annual Meeting must be present at the Annual Meeting in person or by proxy for the transaction of business. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum if you:

- Are entitled to vote and you are present in person at the Annual Meeting; or
- Have properly voted by proxy on the Internet, by telephone or by submitting a proxy card or voting instruction form by mail.

Under Nevada law, unless the articles of incorporation or bylaws provide otherwise, a quorum is calculated based on the voting power present in person or by proxy, regardless of whether the proxy has authority to vote on all matters. Consequently, broker non-votes and withheld votes will be counted towards the presence of a quorum for holding the Annual Meeting.

At least 8,840,415 shares of common stock must be present at the Annual Meeting in order to have a quorum and conduct the Annual Meeting. If a quorum is not present, we may propose to adjourn the Annual Meeting to solicit additional proxies.

How are proxies voted?

All shares represented by valid proxies received prior to the taking of the vote at the Annual Meeting will be voted and, where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the stockholder's instructions.

What happens if I do not vote or give specific voting instructions?

Stockholders of Record. If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the Internet or in person at the Annual Meeting, your shares will not be voted. If you are a stockholder of record and you:

- Indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board; or
- Sign and return a proxy card without giving specific voting instructions,

then the persons named as proxy holders, Mark S. Grewal and Matthew K. Szot, will vote your shares in the manner recommended by the Board on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions then, under applicable rules, the organization that holds your shares may generally vote your shares in their discretion on “routine” matters but cannot vote on “non-routine” matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a “broker non-vote.”

Which proposals are considered “routine” or “non-routine”?

The ratification of the selection of Crowe Horwath LLP as S&W’s independent registered public accounting firm for the fiscal year ending June 30, 2017 (Proposal No. 2) is considered a routine matter under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected in connection with Proposal No. 2.

Each of the other proposals, including the election of directors (Proposal No. 1), and the advisory approval of the compensation of S&W’s named executive officers (Proposal No. 3), are considered non-routine matters under applicable rules. A broker or other nominee may not vote without instructions on non-routine matters, and therefore broker non-votes may exist in connection with Proposal No. 1 and Proposal No. 3.

What is the voting requirement to approve each of the proposals?

With respect to the election of directors (Proposal No. 1), S&W’s bylaws provide that our directors are elected in uncontested elections by a majority vote. In contested director elections, elections in which the number of nominees exceeds the number of directors to be elected, the directors are elected by a plurality of the votes cast, and the nominees receiving the greatest numbers of votes will be elected to serve as directors. The election of directors at this year’s Annual Meeting is an uncontested election, and as such, the majority voting standard applies. To be elected in an uncontested election, a director must receive the affirmative vote of a majority of the votes cast with respect to the director’s election. This means that a director will be elected if the number of votes cast for that director’s election exceeds the number of votes cast against that nominee’s election.

Approval of Proposals No. 2 and No. 3 requires, in each case, the affirmative vote of a majority of the shares present or represented by proxy and voting at the Annual Meeting.

How are broker non-votes and abstentions treated?

Abstentions and broker non-votes are counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business. Under Nevada law, abstentions from voting and broker non-votes are not counted as votes cast and accordingly will not count against the approval of any particular proposal.

In order to minimize the number of broker non-votes, S&W encourages you to provide voting instructions on each proposal to the organization that holds your shares by carefully following the instructions provided in the Notice and the voting instruction form.

May I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the taking of the vote at the Annual Meeting. Prior to the applicable cutoff time, you may change your vote using the Internet or telephone methods described above, in which case only your latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted. You may also revoke your proxy and change your vote by signing and returning a new proxy card or voting instruction form dated as of a later date, or by attending the Annual Meeting and voting in person. However, your attendance at the Annual Meeting will not automatically revoke your proxy unless you properly vote at the Annual Meeting or specifically request that your prior proxy be revoked by delivering a written notice of revocation to S&W's Secretary at 7108 North Fresno Street, Suite 380, Fresno, CA 93720, prior to the Annual Meeting. **If you are a beneficial owner, please contact your organization for specific instructions for changing your vote and make sure that you plan for sufficient time for your organization to meet the time deadline for delivering your revised votes or your original votes will stand.**

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within S&W or to third parties, except:

- To allow for the tabulation and certification of votes;
- To facilitate a successful proxy solicitation; and
- As necessary to meet applicable legal requirements or to assert or defend claims for or against S&W.

If you write comments on your proxy card or ballot, the proxy card or ballot may be forwarded to S&W's management and the Board to review your comments.

Who will serve as the inspector of election?

A representative from Transfer Online will serve as the inspector of election.

Where may I find the voting results of the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be tallied by the inspector of election after the taking of the vote at the Annual Meeting. S&W will publish the final voting results in a Current Report on Form 8-K within four business days following the Annual Meeting.

May I propose actions for consideration at next year's annual meeting of stockholders or nominate individuals to serve as directors?

You may present proposals (including nominations for election of directors) to be considered for inclusion in next year's proxy materials or for action at a future annual meeting only if you comply with the requirements of the proxy rules established by the SEC and our bylaws, as applicable.

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing to our Corporate Secretary by June 30, 2017.

For nominations or other business to be properly brought before the 2017 annual meeting, you must have given timely notice in proper written form to our Corporate Secretary and any such proposed business must constitute a proper matter for stockholder action under the Nevada Revised Statutes. To be timely, your notice must be delivered to our principal executive offices in Fresno, California between August 11, 2017 and September 10, 2017; provided, however, that in the event that the date of the 2017 annual meeting is more than 30 days before or more than 60 days after December 9, 2017, your notice must be so delivered not earlier than the close of business on the 120th day prior to the 2017 annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by us.

Our bylaws require that certain information and acknowledgments with respect to the proposal or the nominee and the stockholder making the proposal or nomination be set forth in the notice. Our bylaws have been publicly filed with the SEC and can also be provided upon request, addressed to our Secretary, as noted above.

Where should I send proposals and director nominations for the 2017 annual meeting of stockholders?

Stockholder proposals and director nominations must be delivered to our Corporate Secretary by mail at 7108 North Fresno Street, Suite 380, Fresno, CA 93720, or by email at secretary@swseedco.com and received by our Secretary by the dates set forth above.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How can I obtain an additional copy of the proxy materials?

S&W has adopted an SEC-approved procedure called "householding." Under this procedure, S&W may deliver a single copy of the Notice and, if applicable, this Proxy Statement and the Annual Report to multiple stockholders who share the same address unless S&W has received contrary instructions from one or more of the stockholders. This procedure reduces the environmental impact of S&W's annual meetings and reduces S&W's printing and mailing costs. Stockholders who participate in householding will continue to receive separate proxy cards. Upon written or oral request, S&W will deliver promptly a separate copy of the Notice and, if applicable, this Proxy Statement and the Annual Report to any stockholder at a shared address to which S&W delivered a single copy of any of these documents.

To receive, free of charge, a separate copy of the Notice and, if applicable, this Proxy Statement or the Annual Report, or separate copies of any future notice, Proxy Statement or annual report, stockholders may write or call Lytham Partners LLC, S&W's Investor Relations firm, at the following:

Robert Blum, Joe Diaz, Joe Dorame
Lytham Partners LLC
3800 North Central Avenue, Suite 750
Phoenix, AZ 85012
(602) 889-9700
sanw@lythampartners.com

If you are receiving more than one copy of the proxy materials at a single address and would like to participate in householding, please contact Lytham Partners using the contact information above.

Stockholders who hold shares in “street name” may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

How may I obtain copies of the exhibits to the 2016 Annual Report?

A copy of the 2016 Annual Report is enclosed with this Proxy Statement, but we have not included the exhibits to the 2016 Annual Report. The 2016 Annual Report includes a list of the exhibits that were filed with it, and we will furnish without charge a copy of any such exhibit to any person who requests one. For further information, contact Lytham Partners through the contact information provided above. Our 2016 Annual Report and our other filings with the Securities and Exchange Commission (the “SEC”), including the exhibits, are also available at no cost at the SEC’s website, www.sec.gov and on our website at www.swseedco.com/investors.

What is S&W’s fiscal year?

S&W’s fiscal year ends on June 30. All information presented in this Proxy Statement is based on our fiscal calendar.

Who is paying the costs of this proxy solicitation?

S&W is paying the costs of the solicitation of proxies. S&W has retained Broadridge and Transfer Online to assist in the printing and distribution of proxy materials. We have agreed to pay Transfer Online and Broadridge fees of approximately \$22,050. Transfer Online serves as our liaison with Broadridge. If you have any questions regarding distribution of the proxy materials, you may contact Daniel Harris at Transfer Online. Transfer Online may be reached at (503) 227-2950.

S&W must also pay brokerage firms, banks, broker-dealers and other similar organizations representing beneficial owners certain fees associated with:

- Forwarding the Notice to beneficial owners;
- Forwarding printed proxy materials by mail to beneficial owners who specifically request them; and
- Obtaining beneficial owners’ voting instructions.

In addition to solicitations by mail, S&W’s directors, officers, and employees, without additional compensation, may solicit proxies on S&W’s behalf in person, by telephone or by electronic communication.

Where are S&W’s principal executive offices located and what is S&W’s main telephone number?

S&W’s principal executive offices are located at 7108 Fresno Street, Fresno, California 93720. S&W’s main telephone number is (559) 884-2535.

How can I attend the Annual Meeting?

Only stockholders as of the Record Date are entitled to attend the Annual Meeting. Stockholders may be requested to present valid photo identification such as a driver’s license or passport and, if asked, provide proof of stock ownership as of the Record Date. The use of mobile phones, pagers, recording or photographic equipment, tablets or computers is not permitted at the Annual Meeting without prior consent of the Chairman of the Board.

Even if you plan on attending the Annual Meeting in person, we encourage you to vote your shares in advance using one of the methods outlined in this Proxy Statement to ensure that your vote will be represented at the Annual Meeting.

INFORMATION REGARDING OUR BOARD OF DIRECTORS, CORPORATE GOVERNANCE AND EXECUTIVE OFFICERS

General Information About Our Board

Our Board of Directors is elected by our stockholders to oversee our business and affairs. In addition, the Board of Directors counsels, advises and oversees management in the long-term interests of our company and our stockholders regarding a broad range of subjects including:

- selecting and evaluating the performance of our Chief Executive Officer and other senior executives;
- reviewing and approving major financial, strategic and operating decisions and other significant actions;
- overseeing the conduct of our business and the assessment of our business risks to evaluate whether our business is being properly managed; and
- overseeing the processes for maintaining integrity with regard to our financial statements and other public disclosures, and compliance with law and ethical standards.

Members of the Board of Directors monitor and evaluate our business performance through regular communication with our chief executive officer and other members of senior management, and by attending board meetings and board committee meetings.

Our directors are elected in uncontested elections by a majority vote. In contested director elections, elections whereby the number of nominees exceeds the number of directors to be elected, the directors are elected by a plurality of the votes cast, and the nominees receiving the greatest numbers of votes will be elected to serve as directors. The election of directors at this year's Annual Meeting is an uncontested election and thus the majority voting standard applies.

To be elected in an uncontested election, a director must receive the affirmative vote of a majority of the votes cast with respect to the director's election. This means that a director will be elected if the number of votes cast for that director's election exceeds the number of votes cast against that nominee's election. Broker non-votes and abstentions will not be counted as votes cast, and, accordingly, will have no effect on the election of directors. If an incumbent director is not elected, and no successor has been elected at the meeting, he will promptly tender his conditional resignation following certification of the vote. The Nominating and Governance Committee will consider the resignation offer and recommend to the Board whether to accept such offer. The Board will endeavor to act on the recommendation within 90 days following the recommendation. Thereafter, the Board will promptly disclose its decision whether to accept the director's resignation offer (and its rationale for rejecting the offer, if applicable) in a press release and filing an appropriate disclosure with the SEC. If the Board accepts the resignation, then the Board, in its sole discretion, may, pursuant to the Company's bylaws, fill any resulting vacancy or may decrease the size of the Board.

Nevada corporate law does not require cumulative voting in the election of directors, and neither our Articles of Incorporation nor Bylaws provide for cumulative voting.

Our Board has determined that Messrs. Fischhoff, Matina, Seidler, Wickersham and Wong, representing five of the eight nominees standing for election, are “independent” as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the Nasdaq Capital Market (“Nasdaq”). There are no family relationships between any director and executive officer.

The Board proposes that the eight director-nominees named in the following summary be elected as our directors, each to hold office until the 2017 Annual Meeting of Stockholders and until their successors are elected and qualified or their earlier resignation or removal.

Information Regarding the Nominees

The Nominating and Governance Committee of the Board recommended, and the full Board of Directors has approved, Glen D. Bornt, David A. Fischhoff, Ph.D., Mark S. Grewal, Mark J. Harvey, Alexander C. Matina, Charles (Chip) B. Seidler, Grover T. Wickersham and Mark W. Wong as nominees for election as directors at the Annual Meeting. If elected, each of the directors will serve until the 2017 annual meeting of stockholders, and until a successor is qualified and elected or until his earlier death, resignation or removal. Other than Dr. Fischhoff, each of the nominees is currently a director of our company.

Michael (Mick) M. Fleming, who has served on our Board since the corporation’s inception in 2009 and who has served as our Lead Director, Chairman of the Audit Committee and Chairman of the Compensation Committee, is not standing for re-election at the Annual Meeting. His term will expire at the conclusion of the Annual Meeting. We wholeheartedly thank Mr. Fleming for his many years of service and his support of our company.

A brief summary of each nominee’s principal occupation and other information follows. None of the directors, director nominees, or executive officers were selected pursuant to any arrangement or understanding. There are no family relationships among our directors, director nominees or executive officers.

Glen D. Bornt (Age 58) President, Imperial Valley Milling Co.

Mr. Bornt was elected to our Board in December 2012. Since 1987, he has been the President of Imperial Valley Milling Co., where he serves as chief executive officer and on-site manager. Concurrently, since September 2007, he also has served as Vice President of Imperial Valley Seeds, Inc. Mr. Bornt earned a BS degree in Agriculture Management from California Polytechnic State University, San Luis Obispo. The Nominating and Governance Committee and the Board of Directors believe that Mr. Bornt should be re-elected to the Board by the stockholders because his 25 years of experience in the agriculture seed industry, specializing in alfalfa seed, will bring invaluable expertise to our boardroom as we continue to expand our seed business geographically and with new varieties.

David A. Fischhoff, Ph.D. (Age 63) David Fischhoff Consulting LLC

Dr. David A. Fischhoff is a director nominee. In December 2014, Mr. Harvey was appointed Chairman of Board of Directors of our company, after having served as Vice Chairman since April 2013. Mr. Seidler has a Masters of Arts Degree from Colgate University. Because of Mr. Seidler's extensive experience in the corporate boardroom and his financial expertise, he brings to our Board a level of professionalism and perspective that we believe is invaluable. Accordingly, the Nominating and Governance Committee and the Board of Directors believe that Mr. Seidler should be re-elected to the Board.

Mr. Wong provides the Board with a wealth of experience in the agricultural and energy industries, and, given his background in agriculture, engineering and business, the Nominating and Governance Committee and the Board of Directors believe that Mr. Wong should be re-elected to the Board.

Committees of the Board of Directors

The Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. The following table provides membership and meeting information for fiscal 2016 for each of the standing committees:

Audit Committee

As of October 24, 2016, the members of the Audit Committee are Messrs. Fleming, Matina and Seidler. Mr. Fleming serves as current chairman of the committee.

The Audit Committee of the Board of Directors was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, to oversee our corporate accounting and financial reporting processes and audits of its financial statements. We are required to have an Audit Committee in order to maintain our listing on the Nasdaq Capital Market. Our Board of Directors has determined that each of the members of our Audit Committee satisfies the requirements for Audit Committee independence and financial literacy under the current rules and regulations of the SEC and the Nasdaq Stock Market. The Board of Directors has also determined that Mr. Fleming is an “Audit Committee financial expert” as defined in SEC rules and he satisfies the financial sophistication requirements of Nasdaq as a result of his many years serving as a chief executive and audit committee chair. This designation does not impose on Mr. Fleming any duties, obligations or liabilities that are greater than is generally imposed on him as a member of our Audit Committee and our Board of Directors.

The Audit Committee is responsible for, among other things:

- selecting, hiring and terminating our independent auditors;
- evaluating the qualifications, independence and performance of our independent auditors;
- approving the audit and non-audit services to be performed by the independent auditors;
- overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;
- with management and our independent auditors, reviewing any earnings announcements and other public announcements regarding our results of operations;
- reviewing and discussing with management and our independent registered public accounting firm our annual and quarterly financial statements and annual and quarterly reports on Forms 10-K and 10-Q; and
- providing to the Board of Directors information and materials to make the Board of Directors aware of significant financial and audit-related matters that require the attention of the Board of Directors.

The Audit Committee acts under a written charter adopted and approved by our Board of Directors. A copy of the charter of our Audit Committee is available on the Investors page on our website located at www.swseedco.com.

The Audit Committee Report is included in this Proxy Statement on page 43.

Compensation Committee

As of October 24, 2016, the members of the Compensation Committee are Messrs. Fleming, Matina and Wong. Mr. Wong serves as chairman of the committee. Our Board of Directors has determined that each member of our Compensation Committee meets the requirements for independence under the current Nasdaq rules, the non-employee director definition of Rule 16b-3 promulgated under the Exchange Act and the outside director definition of Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Internal Revenue Code. The Compensation Committee is responsible for, among other things:

- overseeing our compensation policies, plans and benefit programs and making recommendations to the Board of Directors with respect to improvements or changes to the compensation plans and adoption of other plans;
- reviewing and approving with respect to our executive officers: annual base salaries, annual incentive bonuses, equity compensation, employment agreements, severance arrangements and change of control agreements/provisions, signing bonuses or payments of relocation costs and any other benefits, compensation or arrangements;
- evaluating and approving the corporate and individual goals and objectives relevant to the compensation of our executive officers; and
- administering our equity compensation plans.

The Compensation Committee acts under a written charter adopted and approved by our Board of Directors. A copy of the charter of our Compensation Committee is available on the Investors page on our website located at www.swseedco.com.

Typically, the Compensation Committee meets approximately four times per year and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with the Chairman of the Board. The Compensation Committee meets regularly in executive session. However, from time to time, other directors and outside advisors or consultants may be invited to participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives.

The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. The Compensation Committee has the authority to obtain, at our expense, such advice or assistance from consultants, legal counsel, accounting or other advisors as it deems appropriate to perform its duties. Without limiting the generality of the foregoing, the Compensation Committee may retain or obtain the advice of compensation consulting firms to assist in the performance of its duties and to determine and approve the terms, fees and costs of such engagements. Under its charter, prior to selecting, or receiving advice from, any consultant or advisor, the Compensation Committee is required to consider the independence of such advisor based on any applicable criteria specified by the SEC or Nasdaq, including the independence factors listed in Nasdaq Rule 5605(d)(3). However, the Compensation Committee is not prohibited from obtaining advice from advisors that it determines are not independent. During fiscal 2016, the Compensation Committee did not retain the services of any outside consultants.

The specific determinations of the Compensation Committee with respect to executive compensation for fiscal 2016 are described in greater detail in the Executive Compensation section of this Proxy Statement.

Nominating and Governance Committee

As of October 24, 2016, the members of the Nominating and Governance Committee are Messrs. Seidler, Wickersham and Wong. Mr. Seidler serves as chairman of the committee. Our Board of Directors has determined that each member of our Nominating and Governance Committee meets the requirements for independence under the current rules of the SEC and Nasdaq.

The goal of the Nominating and Governance Committee is to ensure that the members of our Board of Directors have a variety of perspectives and skills derived from high-quality business and professional experience. The Nominating and Governance Committee seeks to achieve a balance of knowledge, experience and capability on our Board of Directors. To this end, the committee seeks nominees with high

professional and personal integrity, an understanding of our business lines and industry, diversity of business experience and expertise, broad-based business acumen and the ability to think strategically. Although neither we nor our Nominating and Governance Committee has a formal policy about diversity in the nominee selection process, our Nominating and Governance Committee charter states that the committee's goal is to develop a diverse and experienced board. In the context of the existing composition and needs of the board and its committees, the Nominating and Governance Committee considers various factors, including, but not limited to, independence, age, diversity (which, in this context, means race, ethnicity and gender), integrity, skills, financial and other expertise, breadth of experience and knowledge about our business or industry. Although the Nominating and Governance Committee uses these and other criteria to evaluate potential nominees, we have not established any particular minimum criteria for nominees. After its evaluation of potential nominees, the committee submits nominees to the Board of Directors for approval. When appropriate, the Nominating and Governance Committee may in the future retain executive recruitment firms to assist in identifying suitable candidates but has not done so in connection with this Annual Meeting.

The Nominating and Governance Committee is responsible for, among other things:

- assisting our Board of Directors in identifying prospective director nominees and recommending to our Board of Directors the director nominees for each annual meeting of stockholders;
- evaluating the performance of current members of our Board of Directors;
- ensuring that our Board of Directors is properly constituted to meet its fiduciary obligations to us and our stockholders and that we follow appropriate governance standards;
- developing principles of corporate governance and recommending them to our Board of Directors;
- overseeing compliance by our Board of Directors and its committees with applicable laws and regulations, including those promulgated by the rules of the SEC and Nasdaq; and
- overseeing the evaluation of our Board of Directors and recommending compensation of Board members.

In addition to the candidates proposed by our Board of Directors or identified by the Nominating and Governance Committee, the Committee considers candidates for director suggested by our stockholders in accordance with the procedures described in the Questions and Answers section in response to the question "What is the process and deadline to nominate individuals for election as directors at the 2017 annual meeting of stockholders?" Stockholder nominations that comply with these procedures and that meet the criteria outlined in our bylaws will receive the same consideration that the Nominating and Governance Committee's nominees receive.

The Nominating and Governance Committee acts under a written charter adopted and approved by our Board of Directors. A copy of the charter of our Nominating and Governance Committee is available on the Investors page on our website located at www.swseedco.com.

Financing Committee

During fiscal 2016, the Board of Directors established a "working" Financing Committee to provide ad-hoc recommendations and guidance to the full Board on issues related to the financing of the Company. The Financing Committee serves at the pleasure of the Board and the chairman. The members of the Financing Committee included Messrs. Seidler, Smith and Wong until the Financing Committee was

reconstituted in March 2016. As of October 24, 2016, the Financing Committee consists of Messrs. Seidler, Matina and Wickersham, with Mr. Seidler serving as chairman. To date, the members of the Financing Committee have served without compensation for their work in that capacity. It is anticipated that in fiscal 2017, the Board will adopt a charter governing the Financing Committee, which will, thereafter, assume specific, ongoing responsibilities, and its members will be compensated for attendance at meetings of the committee.

Acquisitions Committee

In fiscal 2014, the Board of Directors established a “working” Acquisitions Committee that has provided ad-hoc recommendations and guidance to the full Board in connection with identifying and pricing potential acquisition candidates and transactions. The Acquisitions Committee serves at the pleasure of the Board and the chairman. As of October 24, 2016, the Acquisitions Committee includes Messrs. Grewal, Harvey, Matina and Wong, with Mr. Matina serving as chairman. To date, the members of the Acquisitions Committee have served without compensation for their work in that capacity. It is anticipated that in fiscal 2017, the Board will adopt a charter governing the Acquisitions Committee, which will, thereafter, assume specific, ongoing responsibilities, and its members will be compensated for attendance at meetings of the committee.

Executive Committee

In December 2014, the Board established a working committee for the purpose of addressing matters that may need or would benefit from board involvement between meetings. The members of the Executive Committee who served in fiscal 2016 are Messrs. Bornt, Harvey and Nordstrom, who is chairman of the board of our Australian subsidiary Seed Genetics International Pty Ltd., each of whom was chosen because of his extensive personal experience in agricultural operations and the seed business. Mr. Harvey chairs the Executive Committee, which serves at the pleasure of the Board and the chairman. There are no scheduled meetings, no minutes taken and no additional compensation for service. The committee meets on an as-needed basis and, when pertinent, reports back to the full Board on its decisions or its recommendations, either at quarterly board meetings or in between meetings by email or other forms of communication.

Board Independence

At all times throughout fiscal 2016, our Board consisted of a majority of independent directors. Of our eight director nominees, only one is an employee. Our Board consults with our counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time. Our Board has affirmatively determined that five of our directors or director nominees who are standing for election, namely Dr. Fischhoff and Messrs. Matina, Seidler, Wickersham and Wong, representing a majority of our directors, are “independent directors” as defined under the rules of the SEC and Nasdaq. In making this determination, our Board found that none of these directors or nominees for director had a material or other disqualifying relationship with the Company.

Executive Sessions of Independent Directors

In order to promote open discussion among independent directors, our Board of Directors has a policy of conducting executive sessions of the independent directors. The board holds regular executive sessions of the independent directors at least four times per year in connection with regularly-scheduled Board meetings and holds executive sessions at other times throughout the year as needed or desired. These directors may designate one of their number to preside at each session, although it need not be the same

director at each session. Regardless of the fact that these executive sessions are required by Nasdaq, we believe they are important vehicles to encourage open communication. Whether a presiding director is selected for each session or not, one among the directors present is designated to communicate the results of each such meeting to the full board.

Board Meetings and Attendance

The Board met eight times in fiscal 2016. Each member of the Board attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board held during the period for which such person has been a director, and (ii) the total number of meetings held by each committee of the Board on which such person served during the periods that such person served.

Board Attendance at Annual Stockholder Meetings

Our directors are strongly encouraged to attend each annual meeting of stockholders. All of our then-current directors who were standing for reelection attended the 2015 Annual Meeting, and we expect all of our current director nominees to attend the Annual Meeting.

Board Leadership

The Board does not have a formal policy on whether or not the roles of Chairman of the Board and Chief Executive Officer should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from the non-employee directors or be an employee. The Board believes that it should be free to make a choice from time to time in any manner that is in the best interests of our company and our stockholders. Currently, we separate the role of Chairman and Chief Executive Officer, with Mr. Harvey serving as the Chairman and Mr. Grewal serving as Chief Executive Officer. The Board believes that this separation is presently appropriate as it allows the Chief Executive Officer to focus primarily on leading the day-to-day operations of the Company, while the Chairman can focus on leading the Board in its consideration of strategic issues and monitoring corporate governance and other stockholder issues.

Each of the committees of the board consists entirely of independent directors.

Our Chairman is selected by a majority of the Board of Directors. The Chairman may be replaced at any time by a vote of a majority of the Board of Directors then serving; *provided, however*, that the Chairman may not be removed as a director of the Company except in accordance with the Nevada Revised Statutes, our bylaws, and other applicable law.

In fiscal 2016, our independent directors designated Michael (Mick) M. Fleming to continue to serve as Lead Director. The Lead Director has specifically enumerated duties and responsibilities, which include:

- advising and consulting with the Chairman regarding the information, agendas and schedules of Board and Board Committee meetings;
- advising the Chairman as to the quality, quantity and timeliness of the information submitted by management to the independent directors;
- recommending to the Board and the Board Committees the retention of advisers and consultants to report directly to the Board;
- calling meetings of the independent directors, as appropriate, and serving as chairman of such meetings;

- serving as principal liaison between the independent directors and the Chairman and between the independent directors and senior management;
- ensuring that independent directors have adequate opportunities to meet and discuss issues in sessions of the independent directors without management being present;
- communicating to management, as appropriate, the results of private discussions among independent directors; and
- responding directly to stockholder and other stakeholder questions and comments that are directed to the lead independent director or to the independent directors as a group.

As noted elsewhere, Mr. Fleming is not standing for re-election at the Annual Meeting. It has not been determined whether the Board will designate a new Lead Director to fill the vacancy created by Mr. Fleming's departure.

Board Risk Oversight

Our Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. With the oversight of our full Board of Directors, our senior management are responsible for the day-to-day management of the material risks we face. In its oversight role, our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. This involvement of the Board of Directors in setting our business strategy is a key part of its oversight of risk management, its assessment of management's appetite for risk and its determination of what constitutes an appropriate level of risk for us. Additionally, our Board of Directors regularly receives updates from senior management and outside advisors regarding certain risks we face, including various operating risks. Our senior management attends meetings of our Board of Directors, and each committee meets with key management personnel and representatives of outside advisors as necessary. Additionally, senior management makes itself available to address any questions or concerns raised by the board on risk management and any other matters.

Each of our board committees oversees certain aspects of risk management.

Director Compensation

Overview

Our director compensation programs are designed to provide an appropriate incentive to attract and retain qualified non-employee board members. The Nominating and Governance Committee is responsible for reviewing the equity and cash compensation for directors on an annual basis and making

recommendations to the Board, in the event it determines changes are needed. In fiscal 2014, the Committee sought and received input from Frederic W. Cook & Co. regarding compensation of non-employee directors, which was used as one of its resources in setting non-employee director compensation. While the Committee has not retained a compensation consultant since fiscal 2014, it could retain such independent advice in the future.

These amounts do not correspond to the actual value that may be realized by the directors upon vesting or exercise of such awards. For information on the assumptions used to calculate the value of the awards, refer to Note 13 to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended June 30, 2016.

EXECUTIVE COMPENSATION

As a smaller reporting company, we are not required to provide a separately-captioned “Compensation Discussion and Analysis” (a “CD&A”) section. However, in order to provide a greater understanding to our stockholders regarding our compensation policies and decisions with respect to our Named Executive Officers, we are including the following narrative disclosure to highlight salient portions of a typical CD&A. This narrative disclosure should be read in conjunction with the Summary Compensation Table and related tables that are presented elsewhere in this Proxy Statement.

Compensation Philosophy and Processes

Compensation for our executives and key employees is designed to attract and retain people who share our vision and values and who can consistently perform in such a manner that enables the Company to achieve its strategic goals. The Compensation Committee believes that the total compensation package for each of our executive officers is competitive with the market, thereby allowing us to retain executive talent capable of leveraging the skills of our employees and our unique assets in order to increase stockholder value. In fiscal year 2016, all of our executive officers were Named Executive Officers. Our Named Executive Officers refers to those executive officers identified in the Summary Compensation Table below. Our Named Executive Officers for fiscal year 2016 included the following individuals: Mark S. Grewal, President and Chief Executive Officer; Matthew K. Szot, Executive Vice President of Finance and Administration, Chief Financial Officer and Treasurer; and Dennis C. Jury, Executive Vice President of Operations and Chief Operating Officer.

The Company’s executive compensation programs are designed to (1) motivate and reward our executive officers, (2) retain our executive officers and encourage their quality service, (3) incentivize our executive officers to appropriately manage risks while improving our financial results, and (4) align executive officers’ interests with those of our stockholders. Under these programs, our executive officers are rewarded for the achievement of company objectives and the realization of increased stockholder value.

The program seeks to remain competitive with the market while also aligning the executive compensation program with stockholder interests through the following types of compensation: (i) base salary; (ii) annual cash-based incentive bonuses; and (iii) equity-based incentive awards.

Key Executive Compensation Objectives

The compensation policies developed by the Compensation Committee are based on the philosophy that compensation should reflect both Company-wide performance, financially and operationally, and the individual performance of the executive, including management of personnel under his supervision. The Compensation Committee’s objectives when setting compensation for our executive officers include:

- Setting compensation levels that are sufficiently competitive such that they will motivate and reward the highest quality individuals to contribute to our goals, objectives and overall financial success. This is done in part through reviewing and comparing the compensation of other companies in our peer group.

- Retaining executives and encouraging their continued quality service, thereby encouraging and maintaining continuity of the management team. Our competitive base salaries combined with cash and equity incentive bonuses, retirement plan benefits and the vesting requirements of our equity-based incentive awards, encourage high-performing executives to remain with the Company.
- Incentivizing executives to appropriately manage risks while attempting to improve our financial results, performance and condition.
- Aligning executive and stockholder interests. The Compensation Committee believes the use of equity compensation as a key component of executive compensation is a valuable tool for aligning the interests of our executive officers with those of our stockholders.

Our compensation program is designed to reward superior performance of both the Company and of each individual executives and seeks to encourage actions that drive our business strategy. In fiscal 2016, we instituted a process by which the Compensation Committee or a member thereof, will meet with each of our executives quarterly to review performance, goals and expectations so that our annual compensation decisions, when made, will be more transparent. Our compensation strategy is to provide a competitive opportunity for senior executives, taking into account their total compensation packages, which include a combination of base salary, cash-based incentive bonuses and equity-based incentive bonuses.

Oversight of Executive Compensation

The Role of the Compensation Committee in Setting Compensation. Our Compensation Committee determines and recommends to our Board of Directors the compensation of our executive officers. The Compensation Committee also administers the 2009 Plan (defined below). The Compensation Committee reviews base salary levels for executive officers of our company and recommends raises and bonuses based upon the company's achievements, individual performance and competitive and market conditions. The Compensation Committee may delegate certain of its responsibilities, as it deems appropriate, to compensation subcommittees or to our officers, but it has not elected to do so to date.

The Role of Executives in Setting Compensation. While the Compensation Committee does not delegate any of its functions to others in setting the compensation of senior management, it includes members of senior management in the Compensation Committee's executive compensation process. We have asked each of our senior executives to annually provide us with input with regard to their goals for the coming year. These proposals include suggested company-wide and individual performance goals. The individual goals include not only the goals of such executive but also goals of the employees for whom the executive is responsible. The Compensation Committee reviews these proposals with the executives and provides the Committee's perspective on those aspects that the Committee may feel should be modified. Quarterly meetings with the executives will permit an ongoing dialog to further our goal of enhancing communication and managing expectations regarding compensation matters.

The Role of Consultants in Setting Compensation. In fiscal 2016, the Compensation Committee did not retain compensation consultants to assist it in its review of executive compensation although it is empowered by its charter to do so and did receive input from Frederic W. Cook & Co. in fiscal 2014. As the Compensation Committee deems necessary or helpful, it may retain the services of compensation consultants in connection with the establishment and development of our compensation philosophy and programs in the future.

Compensation Risk Assessment

As part of its risk assessment process, the Compensation Committee reviewed material elements of executive and non-executive employee compensation. The Compensation Committee concluded that these policies and practices do not create risk that is reasonably likely to have a material adverse effect on the Company.

The structure of our compensation program for our executive officers does not incentivize unnecessary or excessive risk taking. The base salary component of compensation does not encourage risk taking because it is a fixed amount. The incentive plan awards have risk-limiting characteristics:

- Annual incentive awards to each of our executive officers are limited to the fixed maximum specified in the incentive plan;
- Annual incentive awards are based on a review of a variety of performance factors, thus diversifying the risk associated with any single aspect of performance;
- The Compensation Committee, which is composed of independent members of our Board of Directors, approves final incentive plan cash and stock awards in its discretion after reviewing executive and corporate performance; and
- The significant portion of long-term value is delivered in shares of the Company with a multi-year vesting schedule, which aligns the interests of our executive officers to the long-term interests of our stockholders.

Elements of Compensation

The material elements of the compensation program for our Named Executive Officers include: (i) base salary; (ii) cash-based incentive bonuses; and (iii) equity-based incentive awards.

Base Salaries. We provide our Named Executive Officers with a base salary to compensate them for services rendered during the fiscal year and sustained performance. The purpose of the base salary is to reflect job responsibilities, value to us and competitiveness of the market. Salaries for our Named Executive Officers are determined by the Compensation Committee based on the following factors: nature and responsibility of the position and, to the extent available, salary norms for comparable positions; the expertise of the individual executive; and the competitiveness of the market for the executive's services.

Performance Cash-Based Incentive Bonuses. Our practice is to award cash-based incentive bonuses, based in part on the achievement of performance objectives or significant accomplishments as established by the Compensation Committee from time-to-time in its discretion. These performance objectives and significant accomplishments are, in part, developed in partnership with the executive and are discussed on an ongoing basis throughout the year.

Equity-Based Incentive Awards. Our equity-based incentive awards are designed to align our interests with those of our employees and consultants, including our Named Executive Officers. Our Compensation Committee is responsible for approving equity grants. As of the end of fiscal 2016, our Named Executive Officers have been granted both stock option awards and restricted stock units. Vesting of the stock option and restricted stock unit awards is tied to continuous service with us and serves as an additional retention measure and long-term incentive.

Key Compensation Decisions and Developments for Fiscal Year 2016

For fiscal 2016, each executive was entitled to receive an annual incentive bonus of up to 100% of his base salary, payable 65% in cash and 35% in equity. Following the completion of the 2016 fiscal year, each of our executive officers self-evaluated himself against his specific goals and presented his assessment to the Compensation Committee. The Compensation Committee followed with its own assessment and discussed the results with each of our executive officers. Cash and equity incentive awards were paid in October 2016 based on the committee's assessments. Based on the year-end assessments, the Compensation Committee determined that our executive officers were entitled to incentive bonuses as follows:

Mark S. Grewal	60% of base salary
Matthew K. Szot	80% of base salary
Dennis C. Jury	50% of base salary

- Base Pay. Pursuant to their respective employment agreements entered into in March 2016, the current base salaries for our executive officers is as follows:

Mark S. Grewal	\$350,000
Matthew K. Szot	\$285,000
Dennis C. Jury	\$172,687

The above base salaries were fixed in 2015 and have remained in place since that time. Mr. Jury's base salary has been converted from Australian dollars to U.S. dollars based on an exchange rate of .7286, which was the average exchange rate during fiscal 2016.

- Cash-Based Incentive Compensation. 65% of each executive's bonus was payable in cash. The following cash incentive bonuses were paid in October 2016 to our executive officers for their performance during fiscal 2016:

PROPOSALS

Overview of Proposals

This Proxy Statement contains three proposals requiring stockholder action:

- Proposal No. 1 requests the election to our Board of the eight nominees named in this Proxy Statement.
- Proposal No. 2 requests the ratification of the selection of Crowe Horwath LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2017.
- Proposal No. 3 requests that stockholders vote, on an advisory basis, to approve the compensation of our Named Executive Officers, as disclosed in this Proxy Statement.

Proposal No. 1 – Election of Directors

General

The business and affairs of our company are managed under the direction of the Board of Directors, as provided by Nevada law and our Bylaws. The Board of Directors establishes corporate policies and strategies and supervises the implementation and execution of those policies and strategies by our officers and employees. The directors are kept informed of our company operations at meetings of the Board, through reports and analyses prepared by, and discussions with, company management.

Our Articles of Incorporation provide that the number of members of the Board of Directors may be set by Board resolution. The Board has currently set the size of the Board of Directors at eight members. That number may be changed by further resolution of the Board or by an amendment to the Bylaws approved by our stockholders or the Board.

The Board proposes that the eight director-nominees named in the following summary be elected as our directors, each to hold office until the 2017 Annual Meeting of Stockholders and until his successor is elected and qualified or until his earlier resignation or removal.

Our directors are elected in uncontested elections by a majority vote. In contested director elections, elections whereby the number of nominees exceeds the number of directors to be elected, the directors will be elected by a plurality of the votes cast and the nominees receiving the greatest numbers of votes will be elected to serve as directors. The election of directors at this year's Annual Meeting is an uncontested election and thus the majority voting standard applies.

To be elected in an uncontested election, a director must receive the affirmative vote of a majority of the votes cast with respect to the director's election. This means that a director will be elected if the number of votes cast for that director's election exceeds the number of votes cast against that nominee's election. Broker non-votes and abstentions will not be counted as votes cast, and, accordingly, will have no effect on the election of directors. If an incumbent director is not elected and no successor has been elected at the meeting, he or she shall promptly tender his or her conditional resignation following certification of the vote. The Nominating and Governance Committee will consider the resignation offer and recommend to the Board whether to accept such offer. The Board will endeavor to act on the recommendation within 90 days following the recommendation. Thereafter, the Board will promptly disclose its decision whether to accept the director's resignation offer (and its rationale for rejecting the offer, if applicable) in a press release and filing an appropriate disclosure with the SEC. If the Board accepts the resignation, then the

Board, in its sole discretion, may, pursuant to the Company's Bylaws, fill any resulting vacancy or may decrease the size of the Board.

Nevada corporate law does not require cumulative voting in the election of directors, and neither our Articles of Incorporation nor Bylaws provide for cumulative voting.

Nominees

The Nominating and Governance Committee of the Board recommended, and the full Board of Directors approved, Glen D. Bornt, David A. Fischhoff, Ph.D., Mark S. Grewal, Mark J. Harvey, Alexander C. Matina, Charles (Chip) B. Seidler, Grover T. Wickersham and Mark W. Wong as nominees for election as directors at the Annual Meeting. If elected, each of the directors will serve until the 2017 annual meeting of stockholders, and until a successor is qualified and elected or until his earlier, death, resignation or removal. Other than Dr. Fischhoff, each of the nominees is currently a director of our company. For information concerning the nominees, please see "Information Regarding the Nominees" beginning on page 11 in this Proxy Statement.

Unless otherwise instructed, the proxy holders will vote the proxies received by them "FOR" each of Glen D. Bornt, David A. Fischhoff, Ph.D., Mark S. Grewal, Mark J. Harvey, Alexander M. Matina, Charles (Chip) B. Seidler, Grover T. Wickersham and Mark W. Wong. If the nominees are unable or decline to serve as a director at the time of the Annual Meeting, the proxies will be voted for another nominee designated by the Board. We are not aware of any reason that a nominee would be unable or unwilling to serve as a director.

Vote Required

Each director is elected by a majority of the votes cast at the Annual Meeting, meaning that to be elected, the director must receive more "for" votes than "withheld" votes. Broker non-votes and abstentions have no bearing on the outcome of the election.

The Board of Directors recommends that you for "FOR" the election of each of the nominees named above.

Proposal No. 2 – Ratification of Selection of Independent Registered Public Accountants

Our Audit Committee has selected Crowe Horwath LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2017 and has further directed that we submit the selection of our independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Crowe Horwath has audited our financial statements since our 2015 fiscal year.

Representatives of Crowe Horwath LLP will be present at our Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions from stockholders.

Stockholder ratification of the selection of Crowe Horwath LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, our Board is submitting the selection of Crowe Horwath LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, our Audit Committee will reconsider whether or not to retain Crowe Horwath LLP. Even if the selection is ratified, our Audit Committee may direct the

appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and our stockholders.

Annual Evaluation and Selection of Independent Auditor

To help assure continuing auditor independence, our Audit Committee annually reviews Crowe Horwath LLP's independence and performance in connection with the Committee's determination of whether to retain Crowe Horwath LLP or engage another firm as our independent auditor. In the course of these reviews, our Audit Committee considers, among other things:

- Crowe Horwath LLP's recent performance on our company audits;
- Crowe Horwath LLP's institutional knowledge and expertise regarding our company's global business, accounting policies and practices and internal control over financial reporting enhances audit quality;
- the professional qualifications of Crowe Horwath LLP, the lead audit partner and other key engagement partners;
- Crowe Horwath LLP's disclosures related to audit quality and performance, including recent PCAOB inspections;
- the appropriateness of Crowe Horwath LLP's audit fees; and
- the quality and candor of Crowe Horwath LLP's communications with the Audit Committee and management; and

Based on this evaluation, our Audit Committee has determined that Crowe Horwath LLP is independent and that it is in the best interest of our company and its stockholders to continue to retain Crowe Horwath LLP to serve as our independent auditors for our fiscal year ending June 30, 2017.

Principal Accountant Fees and Services

Our Audit Committee is responsible for audit firm compensation. The aggregate fees billed by Crowe Horwath LLP for the years ended June 30, 2016 and 2015 for the professional services described below are as follows:

	Fiscal Year Ended	
	June 30, 2016	June 30, 2015
Audit fees	\$271,580	\$189,380
Audit-related fees (1)	-	-
Tax fees (2)	-	-
All other fees	-	-
Total fees	\$271,580	\$189,380

(1) Audit fees relate to professional services rendered in connection with the audit of our annual financial statements included in our Annual Reports on Form 10-K, quarterly review of financial statements included in our Quarterly Reports on Form 10-Q, and audit services provided in connection with other statutory and regulatory filings.

(2) Audit-related fees comprise fees for professional services that are reasonably related to the performance of the audit or review of our financial statements. We incurred no audit-related fees in fiscal 2016 or 2015.

All of the services described above were pre-approved by our Audit Committee. The Committee concluded that the provision of these services by Crowe Horwath LLP would not affect their independence.

Rotation of Lead Audit Partner

The Audit Committee requires the lead audit partner to be rotated at least every five years. The process for selection of our company's lead audit partner pursuant to this rotation is expected to involve discussions with Crowe Horwath to consider issues related to the timing of such rotation and the transition to new lead and reviewing partners and a meeting between the Chair of our Audit Committee and the candidate for the role as well as discussion by the full Audit Committee and management.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services Performed by the Independent Registered Public Accounting Firm

We maintain an auditor independence policy that bans our auditors from performing non-financial consulting services, such as information technology consulting and internal audit services. This policy mandates that the Audit Committee approve the audit and non-audit services and related budget in advance, and that the Audit Committee be provided with quarterly reporting on actual spending. This policy also mandates that we may not enter into auditor engagements for non-audit services without the express approval of the Audit Committee. In accordance with this policy, the Audit Committee pre-approved all services to be performed by our independent registered public accounting firm.

Vote Required

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy on the matter is necessary to ratify the appointment of Crowe Horwath LLP as our independent registered public accountants for the fiscal year ending June 30, 2017.

The Board of Directors unanimously recommends that stockholders vote “FOR” the ratification of the selection of Crowe Horwath LLP as the Company’s independent registered public accountants for the fiscal year ending June 30, 2017 (Proposal No 2).

Proposal No. 3 – Advisory Vote to Approve Executive Compensation (“Say-on-Pay”)

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Securities Exchange Act, we are seeking an advisory, non-binding stockholder vote with respect to compensation awarded to our Named Executive Officers.

Our executive compensation program and compensation paid to our Named Executive Officers are described beginning on page 30 of this Proxy Statement. Our compensation programs are overseen by the Compensation Committee and reflect our philosophy to pay all of our employees, including our Named Executive Officers, in ways that support the following principles that we believe reflect our core values (relationships matter; be open, honest and constructive; demand excellence; take intelligent risks; and act like an owner):

- support, attract and retain the best talent;
- support a high-performance culture by rewarding excellence and achievement;
- recognize and retain top-performing talent via differentiated rewards and opportunities;

- reinforce alignment with our Company’s values (in particular, a focus on excellence and an attitude of ownership);
- create alignment with our Company’s long-term performance; and
- provide an opportunity for each employee to share in the success we create together.

To help achieve these objectives, we structure our Named Executive Officers’ compensation to reward the achievement of short-term and long-term strategic and operational goals. The performance goals developed for each executive officer include both personal and Company-wide goals.

We request that our stockholders approve the compensation of our Named Executive Officers as described elsewhere in this Proxy Statement pursuant to the following resolution:

RESOLVED, that the stockholders of S&W Seed Company (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers disclosed in the Summary Compensation Table and the related compensation tables and narrative disclosure in the Proxy Statement for the 2016 Annual Meeting of Stockholders.

As an advisory vote, this proposal (commonly referred to as “say-on-pay”), is not binding on S&W, our Board or the Compensation Committee and will not be construed as overruling a decision by S&W, the Board or the Compensation Committee or creating or implying any additional fiduciary duty for S&W, the Board or the Compensation Committee. However, the Compensation Committee and the Board value the opinions expressed by our stockholders in their votes on this proposal and will consider the outcome of the vote when making future compensation decisions regarding named executive officers.

At our 2013 Annual Meeting, our stockholders expressed support to hold an advisory vote on our executive compensation program every year. Therefore, we expect the next advisory vote on executive compensation to occur at our 2017 annual meeting. It is expected that the next vote on frequency of say-on-pay will be presented at our 2019 annual meeting.

Vote Required

Approval of Named Executive Officer compensation requires the approval of a majority of the shares represented in person or by proxy and entitled to vote at the Annual Meeting.

The Board of Directors recommends that stockholders vote “FOR” the approval of the compensation paid to our Named Executive Officers (Proposal No. 3).

AUDIT COMMITTEE REPORT

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the year ended June 30, 2016. The information contained in this report shall not be deemed "soliciting material" or otherwise considered "filed" with the SEC, and such information shall not be incorporated by reference into any future filing under the Securities Act or the Exchange Act except to the extent that the Company specifically incorporates such information by reference in such filing.

As of June 30, 2016, the Audit Committee consists of three members: Messrs. Fleming, Matina and Seidler. All of the members are independent directors under the Nasdaq and SEC Audit Committee structure and membership requirements. The Audit Committee has certain duties and powers as described in its written charter adopted by the Board. A copy of the charter can be found on our website at www.swseedco.com/investors.

The Audit Committee is responsible primarily for assisting the Board in fulfilling its oversight and monitoring responsibility of reviewing the financial information that will be provided to stockholders and others, appointing the Company's independent registered public accounting firm, reviewing the services performed by the Company's independent registered public accounting firm, evaluating the Company's accounting policies and the system of internal controls established by management and the Board, reviewing significant financial transactions and overseeing enterprise risk management. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of our financial statements.

In fulfilling its oversight responsibility of appointing and reviewing the services performed by the Company's independent registered public accounting firm, the Audit Committee carefully reviews the policies and procedures for the engagement of the independent registered public accounting firm, including the scope of the audit, audit fees, auditor independence matters and the extent to which the independent registered public accounting firm may be retained to perform non-audit services.

The Company maintains an auditor independence policy that, among other things, prohibits the Company's independent registered public accounting firm from performing non-financial consulting services, such as information technology consulting and internal audit services. This policy mandates that the Audit Committee approve in advance the audit and permissible non-audit services to be performed by the independent registered public accounting firm. This policy also mandates that the Company may not enter into engagements with the Company's independent registered public accounting firm for non-audit services without the express pre-approval of the Audit and Finance Committee.

In connection with the audited consolidated financial statements for the fiscal year ended June 30, 2016, the Audit Committee has:

- (1) reviewed and discussed the audited consolidated financial statements with management and Crowe Horwath LLP, the Company's independent registered public accounting firm;
- (2) discussed with Crowe Horwath, the matters required to be discussed by the statement on Auditing Standard No. 16, as amended (AICPA, *Professional Standards*, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T; and
- (3) received the written disclosures and the letter from Crowe Horwath required by applicable requirements of the PCAOB regarding the Auditors' communications with the Audit Committee concerning independence, and has discussed with the Auditors the Auditors' independence.

Based upon these reviews and discussions, the Audit Committee recommended to the Company's Board of Directors that the audited consolidated financial statements be included in S&W Seed Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2016 filed with the Securities and Exchange Commission. Our Board has approved this inclusion.

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Executive officers, directors and greater than ten percent stockholders are required by SEC regulation to provide to us copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended June 30, 2016, other than Alexander C. TRANSACTIONS WITH RELATED PERSONS

Policies and Procedures for Related Person Transactions

Our Audit Committee is responsible for reviewing and approving, in advance, all related party transactions. Related parties include any of our directors or executive officers, certain of our stockholders and their immediate family members. This obligation is set forth in writing in the Audit Committee charter. A copy of the Audit Committee charter is available on our website at <http://www.swseedco.com> in the Investors section under “Corporate Governance.” Each year, the Audit Committee, assisted by our legal counsel, works with our directors, executive officers and certain stockholders to identify any transactions with us in which the executive officer or director or their family members have an interest. We review related party transactions due to the potential for a conflict of interest. A conflict of interest occurs when an individual’s private interest interferes, or appears to interfere, with our interests.

Additionally, our Code of Conduct and Ethics establishes the corporate standards of behavior for all our employees, officers, and directors and sets our expectations of contractors and agents. OTHER BUSINESS

Our Board, at the time of the preparation of this Proxy Statement, knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named on the accompanying proxy to vote on such matters in accordance with their best judgment.

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries (*e.g.*, brokers) to satisfy the delivery requirements for proxy materials with respect to two or more stockholders sharing the same address by delivering a single set of proxy materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be “householding” our proxy materials. Proxy Materials will be delivered in one single envelope to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate set of Proxy Materials, please notify your broker, direct your written request to Secretary, S&W Seed Company, 7108 North Fresno Street, Suite 380, Fresno, CA 93720 or contact Transfer Online, Inc. at (503) 227-2950. Stockholders who currently receive multiple copies of the Proxy Materials at their address and would like to request “householding” of their communications should contact their broker. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the Proxy Materials to a stockholder at a shared address to which a single copy of the documents was delivered.

A copy of the Company’s Annual Report to the Securities and Exchange Commission on Form 10-K for the fiscal year ended June 30, 2016 is available without charge upon written request to the Company’s Secretary at 7108 North Fresno Street, Suite 380, Fresno, CA 93720.
