**SACRAMENTO, California** – October 29, 2018 – S&W Seed Company (Nasdaq: SANW) has scheduled a conference call for Thursday, November 1, 2018, at 10:00 am ET (7:00 am PT) to discuss S&W's recent acquisition of the Chromatin assets.

Interested parties can access the conference call by dialing (844) 861-5498 or (412) 317-6580 or can listen via a live Internet webcast, which is available in the Investor Relations section of the Company's website at <http://www.swseedco.com/investors>.

S&W will issue a slide presentation that will accompany the live conference call. The presentation will be available in the Investor Relations section of the Company's website at <http://www.swseedco.com/investors> or will be accessible through the webcast portal.

A teleconference replay of the call will be available for three days at (877) 344-7529 or (412) 317-0088, confirmation # 10125853. A webcast replay will be available in the Investor Relations section of the Company's website at <http://www.swseedco.com/investors> for 30 days.

## About S&W Seed Company

Founded in 1980, S&W Seed Company is a global agricultural company headquartered in Sacramento, California. S&W's vision is to be the world's preferred proprietary seed Company which supplies a range of forage and specialty crop products that supports the growing global demand for animal proteins and healthier consumer diets. S&W is a global leader in alfalfa seed, with significant research and development, production and distribution capabilities. S&W's capabilities span the world's alfalfa seed

production regions, with operations in the Western United States, including the San Joaquin and Imperial Valleys of California, Australia, and Canada, and S&W sells its seed products in more than 30 countries around the globe. S&W also provides hybrid sorghum and sunflower and is utilizing its research and breeding expertise to develop and produce stevia, the all-natural, zero calorie sweetener for the food and beverage industry.
